1972 Florida School of Addictions Studies, University of Miami, University of North Florida, Florida State University, National Institute of Mental Health
- 1990 Psychiatric Rehabilitation Training:
1973- Fountain House, New York; The Center for Psychiatric Rehabilitation, Boston; Florida
1974 Mental Health Institute; Florida State University
- 1971 Cancer Rehabilitation:
M. D. Anderson Hospital & Tumor Institute

PROFESSIONAL LICENSES AND CERTIFICATIONS:

Certified Traumatologist, EMDRIA, and International Traumatology Institute, CT202004, 1995 to present

Licensed Mental Health Counselor, Certified Clinical Supervisor, State of Florida, Department of Professional Regulation, No. MH 0001135, 1983 to present

Certified Rehabilitation Counselor, National Commission on Rehabilitation Certification, Nos. 1637, CO38205, 1974 to present.

PROFESSIONAL EXPERIENCE:

(* Denotes grant-funded position)

9/02 to Medical Psychotherapist and Trauma Specialist

Present Private Practice, Tampa

(Responsible for part-time professional practice specializing in assessment and treatment of adults with comorbid mental health disorders and chronic physical illnesses/disabilities as well as trauma spectrum disorders. Also responsible for USF faculty duties described below.)

9/98 to Special Administrative Assignment:

Present Co-Chair, Institutional and Strategic Planning Task Forces on Health Professions Office of the Provost

(Responsible for articulating vision and developing institutional, strategic, and tactical planning for new and existing health related professions programs in Colleges of Medicine, Public Health, Nursing, Arts and Sciences, the Florida Mental Health Institute and Engineering; help faculty and academic administrators in these programs implement methods for assessing educational outcomes and effectiveness. Also responsible for faculty duties described below.)

8/98 to Director of Graduate Studies:

8/01 USF Department of Rehabilitation and Mental Health Counseling

(Responsible for administration of Department functions related to program development, student affairs, curriculum, instruction including distance learning, and new initiatives such as interdisciplinary research activities with community collaborators and post-graduate certificate programs in addictions, and marriage and family therapy. Also responsible for faculty duties described below.)

5/98 Promoted to Associate Professor and tenured.

8/97 to Interim Vice Chair

8/98 USF Department of Rehabilitation and Mental Health Counseling

(Responsible for administration of Department internal tasks including governance, instruction, student affairs, budget and resources, and faculty development and evaluation. Also responsible for Allied Health assignment and faculty duties described below.)

PROFESSIONAL EXPERIENCE, continued:

- 8/94 to 8/01 Special Administrative Assignment:
Principal Investigator, USF Allied Health Initiative
Office of the Provost
 (Responsible for development of feasibility and implementation studies of new health professions programs for the university. Assessed needs, prepared reports for internal and State Board of Regents use, prepared legislative proposals and budgets for implementation/start-up of Physical Therapy, Occupational Therapy, Orthotics and Prosthetics, Biomedical Engineering, Therapeutic Recreation, and other programs. Served as resource to Provost and Deans of Colleges of Arts and Sciences, Nursing, and Medicine. Responsible for faculty duties described below.)
- 8/93 to 5/98 Assistant Professor
Department of Rehabilitation & Mental Health Counseling
University of South Florida, Tampa, FL
 (Teach, clinically supervise, and advise approximately 175 graduate students in CORE accredited program with focus areas in rehabilitation, mental health, marriage and family therapy, and addictions counseling; serve on students', departmental, college, and university committees; direct doctoral dissertations and masters' theses; develop and manage training and research contracts and grants for state, national, and international entities [FLDDPC, RSA, ACA, USAID]; provide consultation, training, and technical assistance to community human services agencies and state/national advisory councils.)
- 10/92 to 7/93 Consultant in Private Practice
Tallahassee, FL
 (Provided policy analysis, research, and related contracted consulting services to advocacy organizations, professional associations, and service providers concerned with the disability perspective in state and national health care reform.)
- *10/89 to 7/92 NIMH Public Academic Linkage Visiting Professor
Mississippi Department of Mental Health in collaboration with the Mississippi State University
Department of Counselor Education, and Research Associate Professor, Rehabilitation
Research & Training Center on Blindness/Low Vision, MSU, Starkville, MS
 (Provided consultation and technical assistance to mental health core disciplines in state universities and to state/community mental health systems to facilitate collaboration in staff development, policy analysis, program evaluation, and research; developed and directed graduate psychiatric rehabilitation specialization in MSU Department of Counselor Education, demonstration site for the Mississippi PAL Initiative; also directed doctoral fellowship program emphasizing biopsychosocial research in blindness/low vision; developed or managed training and research grants [NIDRR, RSA, NIMH, OSAP]; taught, advised, and clinically supervised masters and doctoral students in CACREP and CORE accredited community and rehabilitation counseling programs; served on students', departmental, and university committees.)

PROFESSIONAL EXPERIENCE, continued:

- *1/87 to 7/89 Research Director and Associate
Institute for Health & Human Services Research (formerly Center for Human Services Policy & Administration)
Florida State University, Tallahassee, FL
 (Coordinated basic and applied research projects addressing specific organizational and policy issues/needs of state government and the private sector in health care delivery and human services; wrote contract/grant proposals; developed instrumentation for data collection; analyzed and interpreted both quantitative and qualitative data; disseminated findings via published reports and presentations; supervised research personnel, graduate assistants, and support staff.)
- 1/82 to 12/86 Counselor - Consultant in Private Practice and
Adjunct Professor, Florida State University, Tallahassee, FL
 (Managed private counseling-consulting practice providing mental health, career development, and rehabilitation counseling as well as contracted evaluation services; also taught graduate courses in crisis intervention, communication skills, humanistic medicine, and instructional systems.)
- 7/81 to 7/89 *During this time period, most of my efforts and energies were focused on marriage and caregiving for my quadriplegic father. After my husband's retirement and father's death, I resumed my academic career.*
- 8/80 to 6/81 Assistant Professor
Department of Counselor Education and Rehabilitation Services, University of South Carolina, Columbia, SC
 (Taught and advised graduate students; developed applied research, career library, assessment materials, and innovative courses; supervised rehabilitation counseling and vocational evaluation practica; provided consultation to professional human services agencies and organizations concerned with rehabilitation and mental health.)
 [Resigned after marriage to FSU administrator]
- 1/77 to 7/80 Program Specialist
Office of Disability Determinations, Tallahassee, FL
 (Provided training and technical assistance in psychological, neuropsychological, and vocational assessment and interpretation to professional staff; adjudicated claims for disability benefits; supervised medical disability examiners, trainees/interns, and support personnel.)
- 9/75 to 1/77 Medical Disability Examiner
Office of Disability Determinations, Tallahassee, FL
 (Adjudicated claims for disability benefits; initiated development of medical, psychological, psychiatric, and vocational evidence; analyzed and evaluated same for consistency, validity, and sufficiency in accord with Social Security Act and Federal Disability Regulations; assessed residual functional capacities; developed training materials.)
 [Promoted to specialist position 1/77.]

PROFESSIONAL EXPERIENCE, continued:

- 1/72 to 9/75 Psychiatric Rehabilitation Counselor
Division of Vocational Rehabilitation and the Brevard Community Mental Health Ctr.
Rockledge, FL
 (Provided case management, crisis response, and intensive counseling in individual and group settings to persons with long term mental illness and/or substance abuse disorders; administered and interpreted psychological tests; developed clubhouse model work-centered component for day treatment program; developed cooperative referral and resource service between VR agency and EAPs in aerospace industry; supervised counselor interns and support personnel.)
- 6/70 to 1/72 Rehabilitation Counselor - General Caseload
Division of Vocational Rehabilitation, Rockledge, FL
 (Provided direct services to clients with physical disabilities to assist in their restoration to more productive lives; coordinated all aspects of medical, psychological, social, vocational, and educational development; managed client services budget allocated for caseload; supervised support personnel.)
 [Promoted to specialist position 1/72.]
